

LEGISLATIVE COMPLIANCE STATEMENT

On January 5, 2012, the New Jersey legislature approved a bill requiring local agencies and Boards to maintain Internet websites and to post certain information on that site.

The new law requires the Board to provide the following information on its web site:

N.J.S.A. 40:56A-4.1(b)9: A list of attorneys, advisors, consultants and other person, firm, business, partnership, corporation or any other organization which received any remuneration of \$17, 500 or more during the preceding fiscal year for any service whatsoever rendered to the authority, board or commission.

Accordingly, in fiscal year 2013, the Board paid a fee in excess of \$17,500 to the Caviart Group of Virginia for the development and administration of the LSRP examination.
